## White Paper on Human Resources Management

**ROX** Management Consultants issues its white paper on HR Management by providing a complete management handbook in Q&A format.

The handbook provides a complete guide to Human Resources Management in a Question and Answer format, whereby these questions tackle the following issues:

- Attract and Select
- Organization Strategy and Change Management
- Develop and Retain
- Deploy and Re-Deploy
- Reward and Recognize
- Assess and Manage Performance
- HR Transactions
- Measure HR Performance
- Transition

You can download the full paper by registering for free and logging into our publications section.
